D My name is Joseph Tejera, & I would like to talk about events that occurred on July 3, 2023 & more. I stayed in apartment located on 711 E 108<sup>th</sup> Brooklyn, NY 11238 Unit #1 D. A friend of mine name Fort witch ~~is~~ dating Darlene are both M.T.A Workers. Keys was given to me from lady name Darlene. With A agreement of paying 600 dollars Monthly. Full details wasn't given to me about the apartment. Do to the fact I was Homeless & living in my car. I was desperate enough to take the chance. Since I get S.S.I & S.S.D., I figure I'll be able to make the monthly payments. When I arrived & enter the apartment it was A total mess. I had to throw out bags & bags of garbage that was left behind. It was like, it was done on purpose. My supicion grew when I was told to pay through Cash App & to not have people notice of my presence there. Doing My time period there Darlene had New York City Housing Authority (NYCHA) maintenance paint the whole apartment & throw out the kitchen sink & kitchen counters. The Kitchen was partially empty except for the stove. I remember the apartment vividly with the damage floors from the hallway to the living room. Two bedroom, one bathroom apartment with A living room & Kitchen.

2) I figured by now (NVC HA) knew I was staying there cause I have open the door several times for maintenance to come in. I spent my Birthday there on August 21, 2023. When arguments started to escalate with my EX, that's when neighbors started to complain. Through September 2023 it's been A on going argument with me & her. She had destroyed most of my appliances & windows, metal guards etc. On October 3, 2023 I was from her Fake yelling & screaming inside the apartment. Officers was not Let in. The door was lock. She unlock the door during our argument witch I didn't notice. Officers lied telling her to say that I choked & punch her, when she was stabbing me with A Knite & hitting me with the metal window guard Rail. I was bleeding & Officers did not arrest her. I was Let out the same day. I made A police report on her stabbing me etc. I know neighbors told (NVC HA) about the situation cause I came back to the apartment with Keys to open door & neighbors seen me walked in. I had A feeling that it wasn't going to stop there. Weeks went by & it was quiet. Let me remind you I get S.S.I & S.S.D.. I have A mental health disability that makes me cut myself. Plus I have pass physical injuries that makes it hard to perform certain task, like heavy lifting or standing for long periods of time. Now this is when things got Bad. Crystal Ivaldy has not had any contact with me since the last incident. She shows up on October 24, 2023 crying, stating "I just got of jail." She was arguing & fighting with her brother At her grand mother's house.

3) She stabbed her brother as well where she was arrested & her child was taken for "child endangerment". Great! She shows up at 711 E 108<sup>th</sup> Brooklyn, NY 11238 apartment #1D with no where to go. I let her in telling her to shower & to figure out your next step. Me being kind hearted because of the history we have was my down fall. I knew she would never change, I was just too stubborn to realize it. From All the time I been with her. I notice when she comes down from using drugs. She gets psychotic & starts pacing & breaking things with her yelling & screaming. It's A pattern! which happen at the apartment on 711 E 108<sup>th</sup> Brooklyn, NY 11238 apartment #1D she seriously has some mental health issues. Cause All I said to her was to stop using & to make some serious adult decisions. She went crazy & started to hit herself & breaking my things again. This is when she grab the knife & started stabbing me again. Me with my mental health issues, I had enough, I couldn't take it anymore. I took the knife from her hand, slit both of my wrists. One on the Left, two on the right. I rather die then go through, being looked at like I'm ~~the~~ causing the problems. And of course when Police officers (NYCHA intelligence unit) (P.S.A 1) arrived they started to kick the door because again of her fake yelling & screaming. They couldn't get in at the time & came from the living room window. Insane, so unnecessary! I was arrested with just short's on. With blood everywhere, on me & on the floor. Again she wasn't arrested knowing, she been the one stabbing me. Knowing my rights was violated by Officers. I didn't say one word.

4) Under the Americans with disability Act (ADA).

My rights was violated by all means, like it was planned from the beginning. My Miranda rights were violated, New York Human Right Law (NYHRL) were violated, Privacy Act & Protection against impairment were violated, Even My Civil Right Act were violated. False Accusations & Racial profiling to the point they search through my room with no search warrant. To kick the door down they need A warrant with probable cause. I remain silent & was sent to the first hospital for stitches then second hospital for X-Rays & other injuries were I was denied Mental Health Services. First one Brookdale, second Sound View. which I believe is near P.S.A. 1. I been incarcerated ever since 10/24/23 with damage fingers along with my right hand & bodily pains like left knee & lower back My goal is to find help on my case in any type of way. I'm worried about my personal documents being thrown out by (NYCHA) along with my personal properties. I have called 311 from Rykers indicating to tell (NYCHA) to please don't throw out my property & documents. Especially with all the scamming going on. I sent letters to (NYCHA) on address 787 Atlantic Ave #2 Brooklyn, NY 11238 & had friends call & family call on #718-707-7771 The apartment is under Name Darlene who gave me the keys That's what make's this all so difficult, But having my personal documents there proves I am the common law there. I.D.s., Passport, letter from Social Security, S.S. Card, Car Plates etc All has my name on it Joseph Tejera

⑤ I remember Darlene stating that she Hates dealing with (NYCHA) cause of them never fixing anything so that's why she moved out & gave me the keys. They were two keys. For the top & bottom. I figure she hated the place anyways so her & tort was trying to get money from me while they didn't paid the rent. Straight up scam. I was homeless living in my car. I was done wrong in all kinds of ways. I don't know what's going on & (NYCHA) has A Bad reputation with they're bribery scandal going on. I'm just trying to recover my documents by any means possible. It's hard enough for me As it is nowadays. I'm trying to have A peace of Mind so by the time I'm release I have something to look forward to. May My words be recieved in good faith. Poace & blessings

Sincerely

Joseph ~~De~~
